INTERNATIONAL STUDENT I-20 INFORMATION

The following information is provided regarding Texas Christian School's International Student I-20 Program:

- A. Applications are accepted from February 1 – June 30.
- B. Bible Class is taught every day and the student must regularly attend Church. Church notes are to be taken by the student, who submits them to the teacher on Monday as part of the Bible Class grade. Texas Christian School's Statement of Faith may be viewed at www.TexasChristianSchool.org.
- C. Administration will determine the grade the international student will be enrolled in. Generally, an international student may be enrolled in the previous grade for academic reasons due to age, courses needed to graduate, English proficiency, etc. Example: International student is applying to enroll in 10th Grade and the Administration may determine the student will be enrolled in the 9th Grade so the student will be successful and able to enter the college of his/her choice.
- D. International students must be able to read, write, speak, and comprehend English at an acceptable level. If available, please provide Test of English as a Foreign Language (TOEFL) or similar testing results indicating English abilities.
- E. All fees are non-refundable and student commitment is for one year according to the current yearly school calendar.
- F. **Application Forms Required I-20 (All documentation must be submitted together before being reviewed by the Administration):**
 - o I-20 forms will not be processed unless **all documentation is received together and fees paid**.
 - o Transcripts for the previous two (2) years through the most recent grade completed; all transcripts must be translated in English. Also, student must have **passing grades** (no grades lower than a United States grading scale score of 75) as part of the requirements for enrollment. Transcripts must be received with the application package. Administration will not review enrollment packages and I-20 will not be issued if transcripts are not received.
 - o Copy of current passport and visa.
 - o Junior/Senior High School Student Extracurricular Participation and Parent/Guardian Support of Texas Christian School Forms must be completed and submitted with I-20 documentation.
 - o International Student Application Essay must be done in English to evaluate the student's English comprehension as the student must be able to speak, read, and write English. International students will be required to enroll in Texas Christian School's ESL class when I-20 application package is approved. This will supplement the TOEFL or similar testing results that may be available.
 - o Background Information for I-20. This information needs to be as detailed and accurate as possible – missing information delays the process. The cost and expense information is estimated and some items are completed by Texas Christian School.
 - o School fees are listed on page three of the Background Information for I-20. A \$2,500 Application/I-20 Processing Fee includes the I-20 and School Application Fees. The \$2,500 must accompany the I-20 completed application forms. All fees are non-refundable and the family and student are committing for the entire year.
 - o Please note parent/guardian must be a United States citizen or a legal resident of the United States in accordance with 8 CFR Part 213a.

- o Parents or guardians residing in the United States will be interviewed by Administration personnel prior to I-20 being issued.

G. I-20 PROCESS

- o Application/I-20 Processing Fee of \$2,500 is due when the I-20 and school applications are submitted to Texas Christian School for processing. The fee is non-refundable.
- o It is the responsibility of the person, who received the I-20, to send it to the family in the home country. There will be a fee of \$300 invoiced to the family account for the I-20 package to be mailed overseas. The mailing fee must be paid prior to the I-20 package being sent to the student.
- o It is the family's responsibility to contact the United States Embassy in the home country to schedule an interview appointment. Please ask the Embassy representative what additional documentation will need to be provided for the interview.
- o As soon as the Embassy interview is complete, the family must notify Texas Christian School by e-mail (office@texaschristianschool.org) with the results of the interview.
- o If the interview is successful, the I-20 approved, and the F-1 Visa issued, please contact Texas Christian School as soon as possible so the school application can be completed.
- o If the interview is not successful, another I-20 may be issued at the discretion of Texas Christian School and another interview scheduled by the family with the United States Embassy. Please check with the United States Embassy representative as to when the next interview can be scheduled because there may be a waiting period between interview dates.

ACKNOWLEDGEMENT OF RESPONSIBILITIES AND LIABILITY NOTICE

By signing this application, I confirm that I have read the guidelines below outlining the responsibilities for F-1 students to maintain legal F-1 status in the United States while studying at Texas Christian School (TCS). I further understand by signing below that failure to comply with these guidelines and regulations can and will result in loss of legal status in the United States. Furthermore, I acknowledge that in consideration and as a condition of my acceptance to TCS, I have an obligation to meet with a Designated School Official (DSO) at the TCS Business Office for any and all immigration advising related to F-1 issues.

The DSO is not an “advocate” or “representative” for the student in any legal capacity. I understand that DSOs and other TCS employees do not provide legal advice to students. Therefore, I hereby release all DSOs and employees of TCS of any and all liabilities resulting from the advice given by a DSO or staff member of TCS. All matters relating to immigration status of the student is the student’s responsibility, not the responsibility of TCS. If a student has an immigration issue that requires legal advice, the student is encouraged to seek outside legal counsel from a qualified immigration attorney. TCS can provide an attorney with student information.

THE STUDENT’S ROLE AND RESPONSIBILITIES FOR COMPLIANCE WITH F-1 LAWS/REGULATIONS

The U.S. Federal Government regulations state how international F-1 students must maintain legal status. Failure to follow these regulations could result in your F-1 status being terminated. The brief outline below provides an overview of the student’s responsibilities for maintaining status in the United States while studying at TCS.

- Maintain **ALL** F-1 related documentation, including a VALID passport and the SEVIS I-20 Form.
- Maintain your contact information. Students must maintain their e-mail addresses, telephone numbers, and mailing addresses with the TCS Business Office.
- Notify a DSO of any change in information, including demographic or legal information within 10 days of the change.
 - ❖ All changes in housing arrangements must be pre-approved by Texas Christian School Administration and all required paperwork completed before any change occurs.
- Make satisfactory academic progress toward completion of high school diploma requirements by following TCS course credit plan.
- Be enrolled full-time unless authorized in advance to take a reduced course load.
- Only online courses count as course credit make-up.
- Submit an extension request no later than 45 days before the SEVIS Form I-20 expires.
- Transfer I-20 to college/university or depart the United States in a timely manner (within 60 days) after completion of high school diploma program.
- Have a valid travel signature/endorsement on your SEVIS Form I-20 before leaving/re-entering the U.S.
 - ❖ **All travel plans must be pre-approved by Texas Christian School Administration** or zeros will be given for any class time missed.

ADMISSION TO TCS

Students do not need to secure a third-party agency to gain admission to TCS. TCS staff is available to students to assist with the admissions/registration process. If a student chooses to utilize the services of a third-party agency, the student should be aware that they assume full responsibility for all actions conducted by the third-party agent acting on the student’s behalf. Although rare, there have been incidents of third-party agencies submitting fraudulent admissions documentation on behalf of the student. If fraudulent activity is committed by an agency representative acting on behalf of a student, the student is fully responsible and may be subject to disciplinary action. Given that third-party agencies often require personally identifiable information from students act on their behalf, it is also possible for an agent to gain access to a student’s online account and make changes without the student’s consent.

Page 6 of I-20:

I understand that the student named on this application will be required to attend all classes as scheduled by the school calendar. Unless pre-approved by the Administration, student cannot leave school early for travel accommodations during the holidays such as Thanksgiving, Christmas, Spring Break, Summer Break, etc., or zeros will be given for any class time missed. All travel plans must be pre-approved by the Administration and the proper forms completed.

I certify that I understand all sections on this application and that all information provided herein is complete, accurate, and true. I understand that any information proven to be false will possibly result in the I-20 Form being canceled or terminated. I also understand that the information provided is protected by the Privacy Act of 1974 and all changes requested must be submitted in writing to the TCS Business Office.
