**SATURDAY WORK DAY 8:00 – 4:00** - each month we have a scheduled "ALL-School Saturday Work Day" from 8:00am – 4:00pm. We try to keep our tuition as low as possible and this is one way we do that. We do outside work on the campuses, inside cleaning, maintenance projects and more. WE NEED YOU !!!

**TECHNOLOGY IN THE CLASSROOM** – we have purchased 30 IPADS for the classes to share at \$250 each and you can help us out by donating to this cause so we are able to purchase more. If each family could donate \$250 to the cause, this would help us out tremendously and it is a Tax-Exempt donation for you on your yearly IRS taxes. One of our families got their employer to match their donation of \$1000 so we now can order 8 more instead of 4. Approach your employer and they may do the same for you!
