

CoderKids

Computer Programming Classes

GRADES 3-5

TIME: Wednesdays 3:45 - 4:45 Starting September 12

PLACE: Texas Christian School

COST: \$240 for 12 Sessions

CLASS OVERVIEW:

Make Games in Scratch

Students in grades 3-5 will learn to program simple video games and animations in Scratch. Scratch was developed by MIT and is an excellent tool for practicing creativity and computer programming.

Class runs every Wednesday through December 5th except on school holidays.
