

HOW TO REGISTER YOUR STUDENT FOR CAROLINA CREEK CHRISTIAN CAMP 2024

Parents, in order to sign your student(s) up for camp, you must create an online account through Carolina Creek's portal. Please complete the medical information and waivers; and keep in mind that you will use this same login information when signing them up for future retreats, as well as registering any siblings for future camps.

Carolina Creek now has a new online store card which allows parents to load money onto their student's online account through the Carolina Creek portal. The store card allows them to purchase snacks or merchandise from the camp store and eliminates the need to have cash or card on them. Parents, you can still send your student(s) with cash, etc. if preferred.

Register by copying and/or pasting the link below into Google or whatever search engine you prefer. Select the **Texas Christian School Breakaway 2024 9/11-9/13, 7th – 12th Grades**. Then select whether you are registering a boy or girl and follow the prompts as indicated. If you have a 6th grade student, do not be concerned that it says 7th – 12th grades.
